Kibo

black

Minimalism, elegance, timelessness? The black in interiors can comprise all of these aspects. Black shouldn't rule the bathroom. However, in combination with white it creates a unique space. If you still hesitate to use black then begin with accessories KIBO.

Lada

chrome /antique brass / antique copper

The word „vintage“ was used and appreciated as fashionable in the past. Fifteen, twenty or two hundred years? Time doesn't matter. Look around to see how people lived in ancient times and look for an inspiration. Your bathroom with LADA can look a fairytale.

Dust bins

brushed stainless steel / white / black

The bathroom would not be complete without all sorts of various little aids and trifles. It is therefore ideal if we have a choice in these matters as well. On the one hand we can tune our bathroom to the smallest detail and at the same time choose everything in the NIMCO quality.

Stainless steel

Zn

Zinc alloy

Zinc alloy resistant to corrosion

EXTRAWHITE

Extra clear glass. Compared to ordinary glass, this glass is completely clear, thus colorless. Its absolute whiteness is highlighted by its matt surface on both sides. The glass is 8 mm thick.

PLEXIGLAS® EVONIK

Shelves are made of special snow-white translucent plexiglass with velvety matt surface finish on both sides.

ABS

Abs plastic

Harmless polymer durable resistant to mechanical damage

Artificial stone

Shelves made of artificial stone

Polyresin

Type of synthetic resin

Bamboo

Resistant and solid grass suitable for production of various objects

Steel

Classic steel is used for products with surface finish powder varnish.

High-quality surface finish

Easy cleaning

Assembly system allowing taking out the product easily. This simplifies cleaning the product and its surrounding behind.

Sticking

The products are assembled by sticking

Drilling

The products are assembled by drilling

Protection against fingerprints

Special layer which does not leave fingerprints after the touch.

5l

Volume 5 l

5 l volume suitable to family bathrooms and hotels.

Pedal dust bin

Dust bin controlled by the pedal. No need for touch of the hands.

Soft closing

Dust bin with slow and soft closing system.
